White Ink Technique

1. To create the card base, score the Thick Basic White card stock at 4 ¼ and set aside.
2. Emboss the Crushed Curry card stock with the Sunflower 3D Embossing folder.
3. Using a light hand (don't press hard), drag the White Craft ink over the embossed areas and let it dry.
4. Using Multipurpose Liquid Glue (or your favorite adhesive), adhere the embossed panel to Basic White cardstock.
5. Adhere the panel to the Designer Series Paper and then to the card base.
6. For the sentiment, die-cut a label in Basic White cardstock. Stamp sentiment in Golden Glow ink.
7. Adhere Very Vanilla Twine to the back of the label and add Stampin' Dimensionals to pop it up.
8. Using Golden Glow dark Stampin' Blend to color the Rhinestone Basic Jewels.
9. Don't forget to decorate your envelope.
